

Paste your logo into the **Artwork layer** and center in "YOUR LOGO HERE" placeholder box.

Before printing, DELETE the Instructions layer by dragging it down to the trash can icon in the bottom right of the Layers panel.

3 Send file to your preferred printing partner;

OR to print yourself:

- 1. Select the entire area of one poster
- Right click > Collect for Export > As Single Asset
- 3. Click the poster in the assets frame, select PDF as the format, and click Export.
