Do Unto Others Banner

What You Do: Give each child a "Do Unto Others" banner and allow them time to decorate it with colors, stickers, or other craft supplies in your classroom.

What You Say: This month we are learning about how Jesus teaches us to do kindness, respect, compassion, and humility! Let's decorate this poster and hang it up at home as a reminder of what Jesus teaches us!

Thankful Tower

What You Do: Sit in a circle and give each child 2-3 blocks. Go around the circle and have the children take turns adding a block to the tower in the middle of the circle. While they are adding their blocks ask the children what they are thankful for, or give them options to repeat such as "mom, dad, brother, grandma, pet dog..."

What You Say: Another way that we can "Do Unto Others" is by being thankful and taking turns.

Do Unto Others Parade

What You Do: Turn on some music and invite the children to dance or follow a leader in a parade around the classroom. Allow the kids to use the scarves as a prop for the parade!

What You Say: Jesus is so amazing! Let's celebrate his love by having a fun parade. Say something like (Name of Child) can show kindness, (Name of child) can show respect,...as they line up for the parade.

Roll The Ball

What You Do: Roll the ball to a child and say, Jesus loves name of child then have them roll the ball to another child and say Jesus loves name of child. Continue letting each child have a turn. You can also just roll the ball back and forth.

What You Say: "Jesus loves each and every one of you. He loves name of each child. Let's roll the ball to all of our friends."
