

Stand on one foot no hopping or leaning allowed.	Keep 1 balloon balanced on your head with your eyes closed.
Keep the balloon in the air without using your hands.	Balance your footwear on your shoulders while jumping up and down.
Sit on the floor, stand up without letting your hands touch the ground.	Say the alphabet backwards while standing on 1 foot.
Take your sock off and pop the balloon with your sock.	Look straight ahead and don't blink.
